FOR IMMEDIATE RELEASE MERRIMACK VILLAGE DISTRICT RESTRICTION

MVD is announcing that effective Wednesday, June 17th, 2020 a **PARTIAL WATERING RESTRICTION** has been implemented. The RESTRICTION is as follows:

OUTSIDE WATERING IS ALLOWED FROM 5am-8am AND/OR 5pm-8pm
ONLY
ON ODD/EVEN DAYS BASED ON HOUSE NUMBER AND DATE

Due to heavy water consumption during the stay at home order, high temperatures, lack of precipitation and two of the Wells off line during construction of a PFAS treatment plant, the MVD is implementing this restriction for the safety of the water supply and overall fire protection.

Over use and outside watering on the incorrect days could cause the MVD to impose further restrictions on outside watering. Visit our website at www.mvdwater.org for the most recent information and sign up for notifications.
