ARTICLE 5: Shall the Merrimack Village District vote to raise and appropriate the sum of ninety-nine thousand nine hundred forty-three dollars (\$99,943) under provisions of RSA 35:1, I and II to add to the District's "System Development Capital Reserve" fund for the future system expansion and improvement of the existing system? Recommended by the Board of Commissioners (4-0-0)

The MVD's Board of Commissioners adopted a System Development Charge (SDC) on August 19, 2008. This charge is applied to "new" customers and those existing customers who increase their water service demand beyond 20% of their current or prior use. The charge can best be described as a "buy-in" fee to achieve an equal equity position with the existing customers. This one-time payment will cover their share of the value of the existing infrastructure. Fire service entrances are not subject to the SDC. The "System Development Charge Use of Funds" policy (08-02-B) was approved by the BOC on 10/27/08.

ARTICLE 6: Shall the Merrimack Village District vote to raise and appropriate the sum of eight hundred thousand dollars (\$800,000) under provisions of RSA 35:1, I and II to add to the District's "Equipment and Facilities Capital Reserve" fund for associated costs with existing storage, transmission and production of water? This sum to come from unassigned fund balance.
(Majority vote required.)

Recommended by the Board of Commissioners (4-0-0)

The purpose of this article is to use a portion of the revenue surplus to be set aside for future use in the District's Equipment and Facilities capital reserve fund. Should an emergency arise in future years, for which there was no appropriation, or should there be the need for an unforeseen special piece of machinery in a pump station, for example, the Board of Commissioners would have these funds available for such purposes. This fund was established by the March 26, 1996 annual meeting.

ARTICLE 7: Shall the Merrimack Village District vote to raise and appropriate the sum of two hundred thousand dollars (\$200,000) under provisions of RSA 35:1-c to add to the District's "Purchase of water and/or the operations and maintenance of GAC Treatment facilities" Non-Capital Reserve fund for associated costs with purchase of and/or treatment of water?
