Hi Sean,

Good to see you to and thanks for the help with the coolers.

Yes, please do switch the samples to 537.1 for compliance. Thanks for catching that!!!

Good Morning and Happy Friday!

It was great to see you yesterday 😊 I have a quick question about the samples you dropped off yesterday, specifically on two PFAs samples (see above)

537.1 I'm used to seeing with compliance samples (like how site 509 and 510 are). The 533 bottle times match the time on the compliance COC and the 537 bottles match the other COC. Should I flip these such that the 537 is the compliance sample for that site? Thank you!! 😊
